

MIDEASTERN MICHIGAN LIBRARY COOPERATIVE

BY-LAWS

**Adopted August 20, 1992
Revised June 2022**

Article I - NAME

The name of this organization shall be the Mideastern Michigan Library Cooperative.

Article II - PURPOSE

The purpose of this organization is to provide those services that can usually be performed more effectively and economically by a larger unit of service while at the same time permitting the smaller unit of service to retain its local autonomy and close contact with the people it serves.

The Cooperative itself does not provide direct service to the public; rather it aids and assists member libraries in their endeavors to better serve the public.

In order to best serve our constituents, the Mission of the Mideastern Michigan Library Cooperative is to advocate for and provide broad services and programs to multi-type libraries within its legal service area.

Article III - AUTHORITY

This organization is established as authorized under Michigan Public Act 89, 1977, as amended, known as State Aid to Public Libraries Act of 1977 and the Cooperative Plan of Service as amended.

Article IV - GOVERNANCE

Governance shall be as outlined in the Cooperative Plan of Service. For details, please refer to the Cooperative Plan of Service, as amended.

Section 4 Special Board meetings may be called by the Chairperson, or a majority of Board Members so requesting. Such a meeting must be confirmed by phone or electronic communication 48 hours prior to the meeting time; it must be posted on the Cooperative website and must conduct only that business for which it was called.

Section 5 The Board shall allow virtual meeting attendance from a remote location under certain parameters. Recognizing that the goal of all board and committee meetings is in-person attendance; and recognizing that full in-person attendance greatly facilitates the productivity of said meetings, it is accepted by all members that in-person attendance shall be expected of all members. Notice of a virtual meeting will be in compliance with the Open Meetings Act 267, 1976 as amended.

However, recognizing that a variety of serious impediments to each member's attendance may arise, the following policies are in effect.

Items covered must be: determining that a quorum is present, methods for seeking recognition, obtaining the floor to speak, submitting motions, the process for verifying votes, and the equipment required for participation.
- c) If there is a weather advisory or weather prohibiting in-person attendance, or a State or National health & well-being mandate, the meeting may be scheduled and attended virtually as long as there is one meeting location that is open to the public. If it is not possible to provide a public meeting location, the meeting will be cancelled by the Chair and Director. All Board members will be notified by electronic communication or by telephone.
